PRODUCT DESCRIPTION

Designer: Davide Groppi

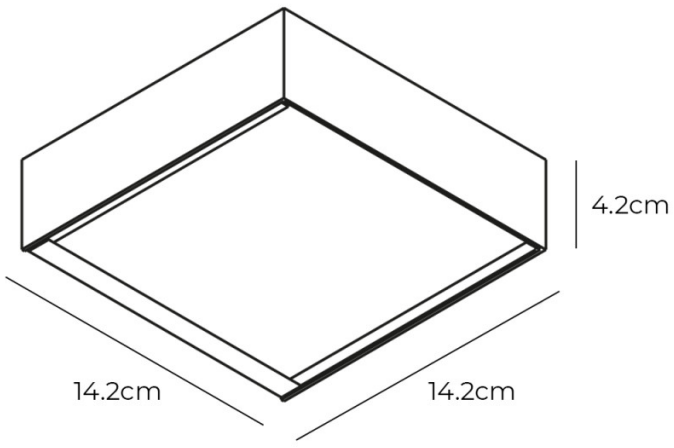

Davide Groppi Toast LED Wall Light

The Toast LED Wall Light was designed by Davide Groppi in 2001. Groppi designed the light to be incorporated into any space and become an architectural element. These innovative wall lights have both upward and downward light, providing bright and clear illumination to enhance your room.

Featured in residential or commercial establishments, Davide Groppi Toast LED Wall Light's minimal design and modest finish add a touch of elegance to any interior. The metal structure is available with a matt black, white, polished chrome, or brushed chrome finish and can be strategically positioned to produce an aesthetically pleasing sequence, resulting in a clean and striking ensemble. Toast LED Wall Light is also available in a non-LED version - **Davide Groppi Toast Wall Light.**
