FOSCARINI

Birdie LED Dimmable Floor Lamp by Foscarini

A part of the unique [Foscarini Birdie collection](#), the Birdie LED floor lamp has a whimsical dimmer switch that evokes a branch coming out of a tree trunk. The shade has clean, smooth lines which is fitted with a diffused LED light source to produce an energy-saving, soft glow. This floor lamp can be used in many spaces as its one-of-a-kind character can translate across a variety of settings.

The Birdie LED floor light is available in 5 finishes, ranging from the sophisticated copper to the more playful aquamarine. The versatility and design of this floor light is flawless and will function as both a decorative piece of furniture and an ambient light source. Create the right light setting for you with the dimmable function and pair with other lights from the collection to create a consistent lighting scheme in your interior.
