&Tradition Flowerpot VP4 Table Lamp

The Flowerpot VP4 Table Lamp is a stylish lamp adapted from Verner Panton's iconic **Flowerpot Collection**. The lamp features the Flowerpot's recognisable shade, placed on a minimalistic, contemporary metal base. This departure from the original embodies the visual language of Verner Panton's designs, imbued with a modern twist. The lamp's sleek form is complemented by four sophisticated finishes: Matt White, Matt Black, Chrome Plated, and Steel Blue.

When illuminated, the Flowerpot VP4 Table Lamp produces a warm, diffused light. The metal shade guides light downward, perfect for illuminating a desk or bedside table. In commercial spaces, the VP4 is perfect for creating a comfortable atmosphere and adding a touch of personality to modern office spaces, high-end boutiques, and bustling cafes. Display with other pieces from the Flowerpot Collection for a cohesive, vibrant theme throughout the home.
