PRODUCT DESCRIPTION

Designer: Centrelight

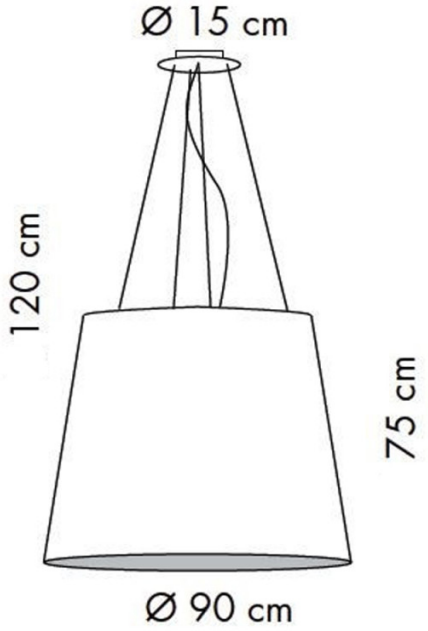

Centrelight Cai Pendant

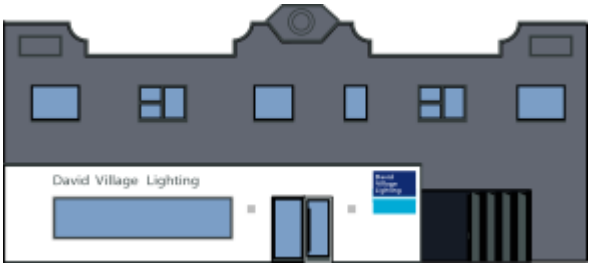

The Centrelight Cai Pendant is a classic oversized luminaire with a pleated fabric shade and a drum silhouette. With a diameter of 90cm, this pendant makes a striking statement in both commercial and residential interiors. The inner light source is emitted down onto the area below, but also escapes through the thin material of the shade. The result is an evenly diffused illumination that can be easily dimmed to personalise the ambience.

The shade is available in white, ivory or brown, adding a neutral colour scheme to your space, great for individual use in homes or in multiples for vast commercial projects, a beautiful way to illuminate restaurants, bars, hotels and living areas. Cai is fitted with a chrome ceiling rose, adding a sophisticated touch to the design.
