Unfold Pendant Light by Muuto

The Unfold Pendant is Muuto's take on the industrial pendant lampshade. Made of silicone rubber, the Unfold is equally affordable and useful in any home or professional environment. The refined rubber material gives the Unfold Pendant lamp a modern, trendy and warm appearance.

The Unfold Pendant light can be adapted to any environment – it can be subtle and understated but can also be used to add a burst of colour. Use individually for an understated look or use multiple pendants together to create a more bold statement.

Available in the plethora of colours the Unfold lamp allows you decorate your home, office or shop in any way and colour combination you wish.

Ceiling rose included.
