Bocci 14 Series Multiple Pendant

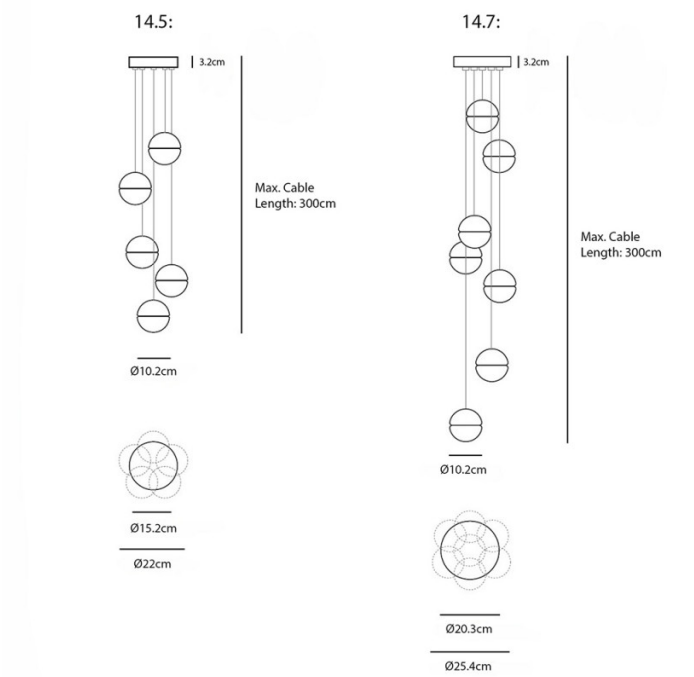

The 14 Series Multi-Pendant Light is made up of either 5 or 7 of the **14.1 Pendants**, and is a spectacular and chic light fixture. Each shade is made from gorgeous borosilicate glass which holds the included LED light source. You can choose between an **LED 1W** light bulb which is non-dimmable or a **Xenon 10W** dimmable bulb. The bulbs that are included by Bocci on purchase ensure a long-lasting glow that twinkles out of the glass spheres in a beautiful and mesmerising way.

The Bocci 14 Series Multi Pendants can be used in many settings, whether you want a big centrepiece light or an atmospheric light to brighten up a corner. You can also adjust each pendant lamp to different lengths, giving you full control over the aesthetic and styling of the multi-pendant.

Please note, the Bocci 14 Series Multi Pendant is available with a White, Brushed Nickel, or Black ceiling canopy. The Mirror 1 glass finish is also available. For further information and pricing, please contact us.
