PRODUCT DESCRIPTION

Designer: Omer Arbel

Bocci 21.1 Pendant Light

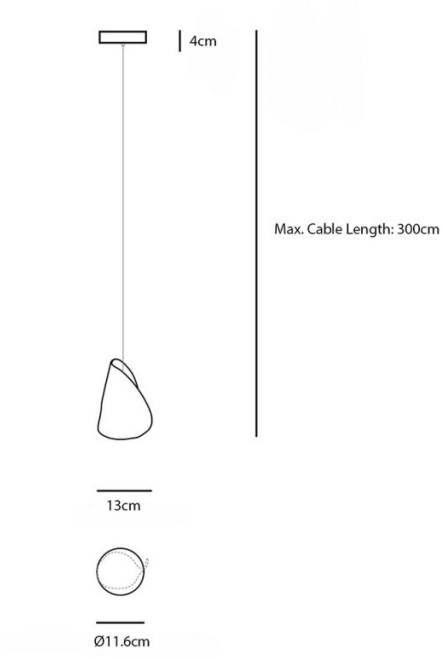

The Bocci 21.1 Pendant was designed by Omer Arbel and is inspired by barnacles on a rock surface. The shade is made from a sheet of porcelain which is wrapped around a glass diffuser to produce a warm and soft glow. The 21 Series Single Pendant light comes with either a **Xenon 20W bulb** or an **LED 1W bulb**, which is included by Bocci in the purchase.

This elegant luminaire is part of the **Bocci 21 Series**, and is also available in multiple cluster, linear and chandelier options. The organic and natural design of this pendant lamp draws the eye and makes it suitable for any design scheme and interior. Perfect for functional and atmospheric lighting.

Please Note: The Bocci 21 Series Pendant comes with a deep ceiling canopy as standard, but is available with other ceiling canopy options: flush mini canopy and shallow canopy. Please contact us for more information or to purchase these options.
