PRODUCT DESCRIPTION

Designer: Omer Arbel

Bocci 28 Series Random Pendant Light

The 28 Series Random Pendant is made up of either 3, 5 or 7 pendants from the wonderful **Bocci 28 Series** by designer Omer Arbel. Each shade is made from glass using a special glass-blowing technique that creates a beautiful spherical shape with intriguing cavities and a milk glass lamp holder.

The Bocci 28 Series Random Pendant Light comes with a light bulb included by Bocci. You can choose between a non-dimmable bulb, the **LED 1W** or a dimmable bulb, the **Xenon 20W.** This pendant also has adjustable cables, so you can create different levels exactly to your taste. The 28 Series random lamp is suitable for many spaces and can be used for atmospheric and direct lighting. A gorgeous and chic addition to any interior, this light is also available with 7 pendants. Please **contact us** for further information and pricing.

Please Note: All Bocci Suspension Lights come with a white ceiling canopy as standard. Other finishes are available; please contact us for more information and pricing.

This pendant lamp is available to purchase online in a clear colour but is also available in a wide variety of colours. Click here to create your own custom design to give to us for quotation and purchase. Please see the last image on the left for instructions.
