## Artemide

### Unterlinden by Artemide

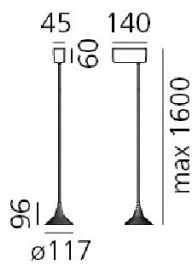

Originally designed for Unterlinden Museum in Colmar, France, the Unterlinden light bears the signature of Herzog & De Meuron. The light represents the amalgamation of technological innovation and the aesthetics of a classic piece. Unterlinden houses a high performance LED COB, to ensure the highest quality of light and energy efficiency. A minimalist downlight, with a discreet yet stylish shade, the Unterlinden light is suitable for any settings, whether it is your home or business. The pendant is especially noticeable when installed in clusters from high ceiling spaces.

Designer: Herzog & De Meuron
