PRODUCT DESCRIPTION

Designer: Thomas Bernstrand

Zero Shibuya Ceiling / Wall Light

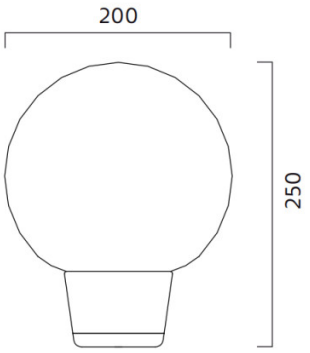

The Zero Shibuya Table Lamp continues Thomas Bernstrand's exploration of colour, form and texture, bringing the iconic Shibuya design to a portable format. Combining a hand-blown glass shade with a painted aluminium base, the lamp is available in cognac, red or grey glass. The crackled finish of the glass shade enhances the light's warmth and casts an atmospheric glow, making it ideal for bedside tables, desks or lounge settings.

Equipped with a 250cm cable, in-line switch and plug, the Shibuya Table Lamp is easy to position and operate. Its sculptural presence adds both illumination and personality to interiors, acting as both a functional lamp and a decorative statement.

Please note, alternative base colours are available for this product. Contact us for pricing and information.
