PRODUCT DESCRIPTION

Designer: Marcel Wanders

Oval Light by Moooi

Oval is a large suspension light with an ovoid shape, designed by one of Moooi's founders, Marcel Wanders. The sheer size of the Oval Light is what makes it impressive, causing a sensation in any interior. The light is available with a shade in black or white colour, and can be dimmable when used with a dimmable light source.

With a diffused and direct downlight the Oval Light can be installed in a wide range of interior settings. Both residential and commercial, the suspension light can be installed above dining tables, meeting rooms, reception areas, restaurants and any other environment. The Oval Light is part of the [Wonders Collection](#), a family of lights designed by Marcel Wanders, with a clean cut design that can easily blend with any interior decor while adding a touch of character.
