Secto Octo 4240 Pendant Light

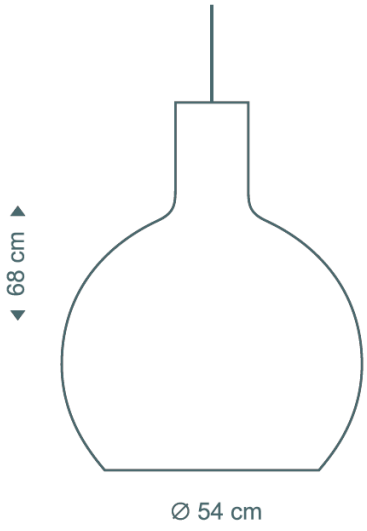

The Secto Octo 4240 pendant light combines grandeur and lightness, making it a timeless classic for any space. Handcrafted in Finland from PEFC-certified birch, this airy pendant provides a warm and inviting glow, perfect for creating an ambient atmosphere in living rooms, dining spaces, and bedrooms. Despite its size, the Octo 4240's open structure ensures it doesn't overwhelm smaller interiors.

This Scandinavian masterpiece is available in four finishes: natural birch, black or white lamination, and walnut veneer, catering to diverse design preferences. The pendant includes a textile cable and a discreet ceiling cup for easy installation.

Please Note: The Secto Octo 4240 Pendant in Birch, White and Walnut is supplied with a white textile cable and ceiling cup as standard, while the Black finish is supplied with a black cable and ceiling cup. Longer cable lengths are available on request at an additional cost. The pendant can also be connected to a DALI lighting system using a separate compatible DALI dimmer, which is not supplied by Secto. Please contact us for further information.
