Secto Owalo 7000 LED Pendant Light

The Secto Owalo 7000 LED pendant light offers a sleek and tranquil design, perfect for illuminating dining tables, meeting rooms, and large open spaces. Its horizontal orientation and clean lines make it a standout piece that provides a warm and inviting glow. Handcrafted in Finland using PEFC-certified Finnish birch, the Owalo 7000 combines sustainable craftsmanship with cutting-edge LED technology, ensuring both beauty and energy efficiency.

The Owalo 7000 pendant is available in four stunning finishes: natural birch, black, white, and walnut veneer.
The integrated LED features step dimming operated through a standard on/off wall switch, with brightness settings of 100%, 70%, 30%, and 15%. The pendant is suspended using two steel wires and supplied with a 200cm textile cable.

Please Note: The Secto Owalo 7000 LED Pendant Light in Birch, White and Walnut is supplied with a white cable, ceiling cup and steel case as standard, while the Black finish is supplied with black components. The integrated LED can only be dimmed using the built-in step dimming function, operated via a standard on/off wall switch. It is not compatible with external dimmer switches.
