PRODUCT DESCRIPTION

Secto 4200 Pendant Light

Simple yet eye catching, the Secto 4200 pendant light is the very first Secto pendant lamp design which led to the birth of the rest of the Secto Design collection. Described as “classic innovation”, the 4200 pendant light by Secto instantly became a modern classic, providing a soft luminosity for cosy and relaxed atmosphere. The 4200 collection also includes wall lights, floor lights and table lamps - browse the rest of Secto's designs [here](#).

Continuing to be handmade in Finland by highly skilled craftsmen, the Secto 4200 pendant light is made from PEFC-certified form-pressed birch, available in its natural form of birch, laminated black or white or with a walnut veneer finishes. The natural birch, white laminated or walnut veneer finishes include a white textile cable and ceiling canopy, while the black laminated finish includes a black textile cable and ceiling canopy.
