Secto Aspiro 8000 LED Pendant Light

The Secto Aspiro 8000 LED Pendant Light is a true masterpiece of Scandinavian design, featuring a captivating spiral shape that brings a sense of movement and playfulness to interiors. Crafted by hand in Finland from sustainably sourced birch, the Aspiro 8000 highlights Secto Design's commitment to eco-conscious craftsmanship.

This innovative pendant light integrates the latest LED technology, offering energy-efficient lighting with a built-in 11W LED module. With a choice of red or black textile cables, the Aspiro 8000 allows for personalisation to suit your decor. Delivered flat-packed, the lamp is easy to assemble and install, making it a practical and stylish solution for dining areas, living rooms, and commercial spaces.

Adjustable in height, the Aspiro 8000 ensures flexibility in placement, while its bold design leaves a lasting impression. Pair it with other **Secto** Design lights to create a harmonious lighting scheme.
