PORTA ROMANA

Porta Romana Thread GLB32 Table Lamp. Based on the same body shape as the Blob Lamp, the Thread Lamp has a softer feel derived from the delicate glass threading wrapped around the entire surface of the piece. The body of the lamp is made in a variety of stunning colours: olive, charcoal, amber, clear and turquoise, the threading is always in clear glass. The diffuser is available in a number of different colours, please see additional photos.

Main image shows an olive finish with a wren satin diffuser
