Porta Romana Perfume Bottle Table Lamp

The Porta Romana Perfume Bottle Table Lamp is designed to mirror the appearance of a 1950s-style perfume bottle. With a gently curved silhouette and chic colour palette, the lamp offers a modern take on a mid-century design. The base is crafted from handblown glass for an elegant, delicate-looking appearance that contrasts effectively with the brass, bronze or nickel-plated brass detailing.

When displayed with the recommended 11” Bongo lampshade, the Perfume Bottle produces a soft, ambient glow. Light escapes from the top and bottom of the shade, illuminating the glass body and filling it with life. The Perfume Bottle Table Lamp adds a splash of colour to interiors while creating a comfortable atmosphere, perfect for bedrooms, living spaces, and studies. In commercial spaces, the lamp suits retail settings such as high-end boutiques.

The Perfume Bottle Table Lamp is available with a wide range of shade shapes, shade fabrics and shade linings. Please contact us for more information and pricing.
