Porta Romana Lava Table Lamp

The Porta Romana Lava Table Lamp is a striking celebration of colour, form and traditional glassmaking. Its hand-blown glass base features rich swirls suspended within the glass, creating a sense of movement and depth that gives every piece its own distinctive character. Refined metal detailing provides an elegant contrast, while the curved silhouette brings a sculptural presence to both contemporary and classic interiors.

When displayed with the recommended 12” Top Hat shade, the Lava Table Lamp diffuses a soft, inviting glow that is ideal in a bedroom, dining room, or living room. A choice of expressive glass finishes and metal details allows the design to be customised to suit any interior and personal style. The result is a timeless statement light that captures Porta Romana’s signature craftsmanship.

The Lava Table Lamp is available with a wide range of shade shapes, shade fabrics and shade linings. Please contact us for more information and pricing.
