Porta Romana Dumpling Table Lamp

The Porta Romana Dumpling Table Lamp gets its name from its soft, grooved design, reminiscent of a dumpling. Each lamp is constructed from blown and moulded glass, created by Porta Romana's skilled glass-blowers. The Dumpling is available in four bold finishes: Split Pea, Saffron, Olive, and White. At Porta Romana, every piece is an original and made to order. This means every detail can be tailored to work with your interior – this includes lampshade fabrics, linings, flexes, product finishes and materials.

The unusual design and bright colours of the Porta Romana Dumpling add a touch of personality to any room. When displayed with the recommended 7" Top Hat shade, light is diffused through the shade's open top and bottom, guiding light into an upward and downward-directed glow. Display the Dumpling in a sitting room or reading nook to create a welcoming and cosy ambience that exudes character.

The Dumpling Table Lamp is available with a wide range of shade shapes, shade fabrics and shade linings. Please contact us for more information and pricing.
