Vibia Puck Triple LED Ceiling Light

The Vibia Puck Triple LED Ceiling Light is the largest in the Puck collection, made up of three overlapping circular glass diffusers. Vibia utilises top-quality opal triplex glass and injection-moulded aluminium which results in a perfect and seamless sleek white finish.

Designed by Jordi Vilardell, this LED ceiling light only utilises one electrical point and thanks to the minimalist finish can adapt to a vast array of contemporary interiors for both residential and commercial environments. The Vibia Puck Triple Ceiling Light produces an even dispersion of warm and glare-free illumination. This elegant lighting solution is an elegant way to illuminate your space.
