Marset Discoco Wall

Attractive and decorative, Marset's Discoco is one of the brand's most iconic designs. With one foot in Scandinavian design and the other in Mediterranean style, Discoco's complex simplicity and evocative play of light and shade make this lamp ideal to illuminate and enrich any interior.

Layers of slim lacquered discs surround the light source to create a unique interplay of light and shadow, whilst creating a beautifully ambient glare-free light. Christophe Mathieu's clever design has made this a highly desirable and versatile feature light for both domestic and commercial spaces.
