PRODUCT DESCRIPTION

Designer: Joana Bover

Bover Maxi S/01 Outdoor Suspension Light

The Maxi Outdoor Suspension Light by Bover is made of UV-resistant polyethylene with a contemporary design that adds style and elegance to any outdoor setting. The LED light source is diffused through the shade and creates a warm lighting effect, due to the gentle light emission the surroundings are evenly illuminated - perfect for summer nights in the garden. Thanks to the unique pleats and folds throughout the shade, the Maxi S/01 Outdoor produces beautiful and fun shadow effects.

Bover Maxi Outdoor Suspension is supplied with trailing electrical lead. Requires electrical cable to be hardwired to a socket.

Rigid stem is available upon request, contact for details and pricing.
