PRODUCT DESCRIPTION

Designer: Alex Fernández Camps & Gonzalo Milá

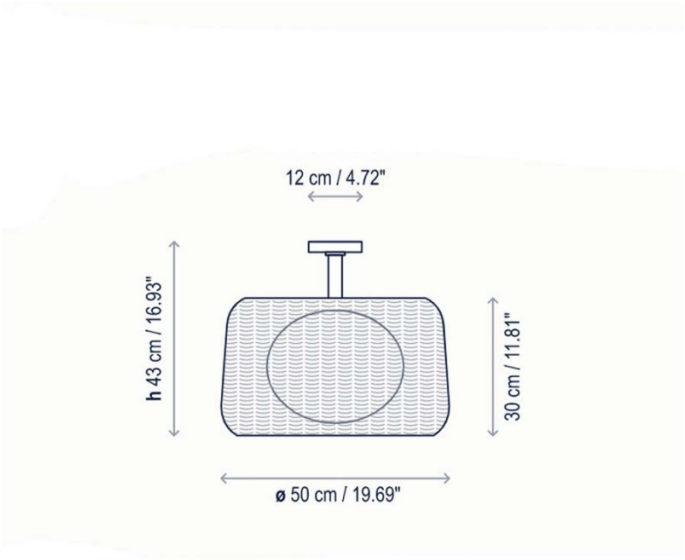

Bover Fora Ceiling Light

The Bover Fora Ceiling Light was designed by Alex Fernández Camps & Gonzalo Milá, it utilises a light beige woven shade, crafted from synthetic polythene fibre. This shade is highly resistant to weather, while at the same time provides a pleasant atmosphere. The light source is protected by a U.?V.? protection, polythene globe which guarantees a water tight electrical fixture.? These features, along with the IP66 rating make it perfect for outdoor illumination.

Fora Ceiling Light casts a warm ambient glow onto your surroundings, generating a pleasant atmosphere in residential or commercial spaces. A beautiful addition to private gardens, patios and decking, or can be utilised in public spaces such as outdoor dining areas in the hospitality sector.
