Flos Glo-Ball Basic Zero Table Lamp

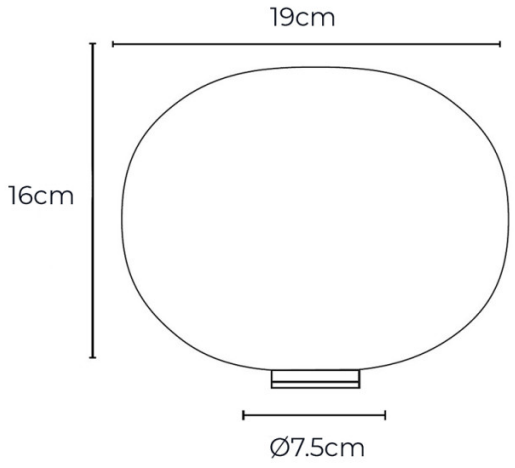

The Flos Glo-Ball Basic Zero Table Lamp was designed by Jasper Morrison and emits a warm, diffused light through the white, opal glass diffuser. This table lamp becomes the centre of attention when switched on, resembling a glowing orb. The Flos Glo-Ball Basic Zero Table Lamp comes with an on/off switch (non-dimmable option) or a dimmer switch on the cable (dimmable option), which allows you to change the brightness using a dial so you can create the right ambience for your space.

The Glo-Ball Basic Zero is a part of the contemporary and timeless **Flos Glo-Ball collection**, and includes a variety of pendants, table, floor, ceiling and wall lamps. Suitable for many settings, this table lamp can be used on desks, side tables, shelves, tables and more to provide an elegant and stylish lighting solution.

A compatible Flos 7.5W LED E14 T28 Dimmable Bulb can be purchased separately.
