Designer: Eric Sole

Solar by Artemide Architectural

This product is temporarily unavailable, please [contact us](#) for further information

Artemide Architectural Solar LED is a recessed light fitting producing a soft, high-output light. The Artemide Architectural recessed light has a steel body with white paint finish with an internal reflector in metallized thermoplastic. Designed by Eric Sole and was awarded the Red Dot Design award in 2013.

Comes in either 600x600mm or 625x625mm sizes and has dimmable and non-dimmable options.

The Solar recessed light is available by request, so please [contact us](#) for further information on availability and prices.
