Fabbian Giunco LED Floor Lamp

Designed by Marc Sadler, the Fabbian Giunco Floor Lamp boasts a unique silhouette and seven light sources. The Giunco Floor Lamp is a sophisticated furnishing accessory with an elegant design, it uses LED technology and adds a unique touch of style to your interior and an effective lighting output thanks to the flexible diffusers that create suggestive light effects. The main illumination comes from the upper part, while the courtesy light is given by a slight lighting effect protruding from the arms.

Available in a sleek white finish, Giunco can easily adapt to a range of modern environments, having a dramatic impact in entryways, offices, bedrooms, dining rooms or living rooms. It can also be utilised in a range of commercial interiors such as contemporary restaurants, bars and spaces in the wellness area like spa reception areas and salons.
