PRODUCT DESCRIPTION

Designer: Sam Hecht

Oluce Semplice Table Lamp

Oluce Semplice Table Lamp was designed by Sam Hecht in 2013. *Best British Design* awarded Semplice Table Lamp as the best-selling light at Euroluce in 2013. A combination of mouth-blown glass shade encased within an aluminium top creates a simplistic yet industrial aesthetic that will look refined in any commercial or residential setting.

Semplice table lamp's light source is concealed within the roof of the aluminium top which provides a downward light which reflects off the glass and emits a warm and ambient glow. Its on/off switch is located at the top of the lid which also doubles as a dimmer and allows you to create the right ambience and atmosphere for your room.

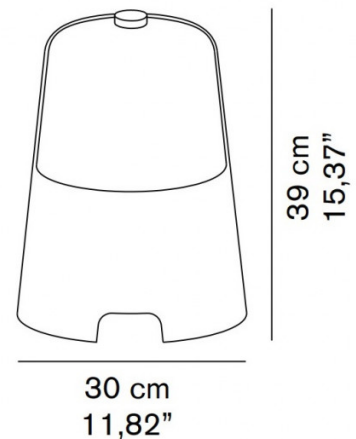

PRODUCT SPECIFICATION

Light Source: 1x Max 75W, E27 (excluded)

IP Code: 20

Dimming: Integrated dimmer switch on product

Dimensions: Diameter: Ø 30cm
Height: 39cm
