PRODUCT DESCRIPTION

Designer: Robert Dudley Best

Gubi Bestlite BL4 Floor Lamp

The BL4 Floor Lamp by Bestlite is a testament to timeless design, crafted by Robert Dudley Best in 1930. With its roots firmly planted in the Bauhaus movement, this floor lamp offers a harmonious blend of form and function, making it a versatile addition to both modern and traditional interiors. The BL4's sleek and minimalistic aesthetic is complemented by its adjustable features, including an extendable arm and adjustable height, ensuring the perfect lighting for any task or setting. The lamp's bell-shaped shade can also be angled to create focused illumination, whether used as a reading light or to accentuate a particular area of your space.

Initially celebrated for its practicality in industrial environments, such as garages and RAF engineering departments, the BL4 quickly gained recognition among design enthusiasts, solidifying its place as a British design classic. Available in a range of finishes, this lamp adapts effortlessly to various decor styles, adding a sophisticated touch to lounges, bedrooms, or offices.

A piece of design history, the BL4 Floor Lamp combines elegance, functionality, and versatility, making it an enduring favourite for those who value both beauty and practicality in their lighting.
