PRODUCT DESCRIPTION

Designer: Matteo Thun

Artemide Laguna Table Lamp

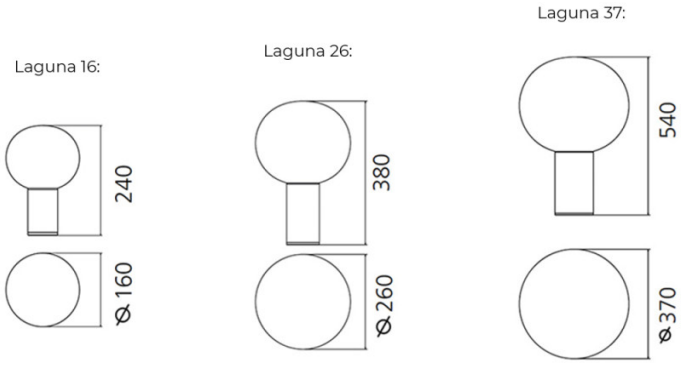

The Artemide Laguna Table Lamp is an elegant design by Matteo Thun, with an elevated aluminium base in satinised bronze. On top of the base, a blown glass shade perfectly balances, creating a stunning effect. The spherical diffuser, in a smoked glass colour, creates a soft light on the table surface and the surrounding space, evenly dispersed into the room.

Laguna is available in three sizes, Laguna 16, Laguna 26 and the largest in the range, Laguna 37. All sizes feature an in-line switch on the cable, with the smaller size offering an on/off function and the two larger sizes allowing you to dim the illumination. The Laguna Table Lamp is perfect for both residential and hospitality spaces, especially in a lounge, bedroom, reception area or dining space.

Please Note: The Laguna Table Lamp is also available in a brass finish. Please contact us for further information and pricing.
