PRODUCT DESCRIPTION

Designer: Scott Wilson

Artemide Sisifo Table Lamp

Designed by Scott Wilson, the Sisifo Table Lamp is an award-winning luminaire that balances task and ambient light. The diffuser features spherical central articulation, allowing for effortless 360° rotation, while the weighted base and double ball joint allow the lamp head to be adjusted freely. Through smooth movements and well-considered controls, the Sisifo Table Lamp suits a wide range of applications.

When illuminated, the Fresnel lens diffuses light into a soft and even glow that eliminates shadows. A touch dimmer located on the lamp's base allows users to adjust light intensity to suit any environment. Delivering high-efficiency LED lighting, the Sisifo Table Lamp is perfect for use as a reading light at a bedside, office desk, or beside a sofa.

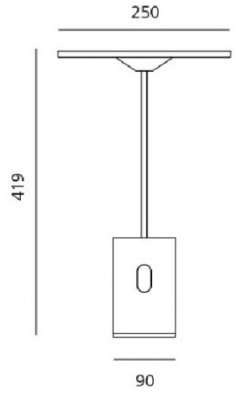

PRODUCT SPECIFICATION

Light Source: 14W, 3000K, 646 Lumens

IP Code: 20

Dimming: Integrated dimmer on the product.

Dimensions: Diffuser: Ø25cm
Height: 41.9cm
Base: Ø9cm
