PRODUCT DESCRIPTION

Designer: Neil Poulton

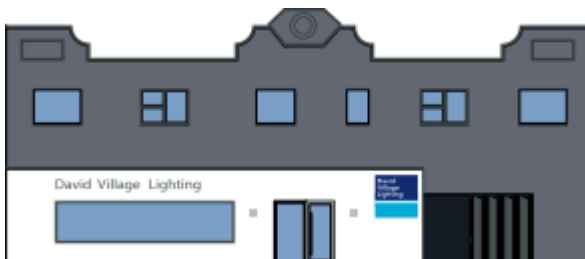

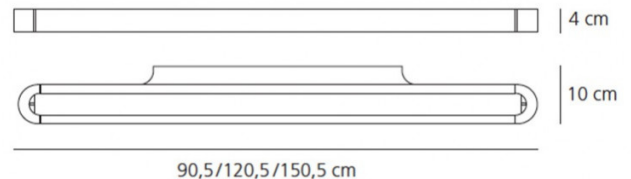

Talo 90, 120 and 150 by Artemide

Contemporary and sleek, the Talo lights compliment any interior whether residential or commercial. Designed by Neil Poulton, the Talo won several awards in 2002, including the iF Design Award, Compasso d'Oro/ADI-Selezione and Red Dot Design Award.

Talo wall lights are available in various sizes, Talo 90, Talo 120 and Talo 150. There are also two smaller versions, Talo and Talo 60. Whether with an integrated LED or a retrofit light source, the Talo lamps emit both a direct and indirect light. The larger Talo lights can be either non dimmable or dimmable (via Push dimming systems) and in a black, white or silver finish. The design is also available as a [suspension light](#).
