Zero Fisherman 300 Pendant

The Zero Fisherman Pendant pays tribute to the ocean and traditional fishing culture, reinterpreted into a modern pendant light. Designed by Mattias Ståhlbom, this unique fixture takes inspiration from classic glass fishing floats, used to keep fishermen's nets afloat, transforming them into a statement piece for contemporary interiors.

The pendant features a durable opal UV-stable polyethylene shade, which softly diffuses light to create a warm, ambient glow. Surrounding the shade is handmade netting, carefully crafted to enhance the maritime aesthetic. The netting is available in white, orange, blue, or natural, with additional colour options upon request. The three available sizes (Ø300mm, Ø400mm, and Ø650mm) allow the Fisherman pendant to be used individually for subtle elegance or grouped together for a striking display.

This designer pendant is ideal for dining areas, lounge spaces, restaurants, and retail settings, where its coastal charm and sculptural form add both warmth and visual interest. The light is suspended by a 1.9-metre cable and rope, reinforcing its nautical heritage, while its versatile finishes make it adaptable to a wide range of interiors.

PRODUCT SPECIFICATION

Light Source: 1 x Max 53W E27 (Excluded)

IP Code: 20

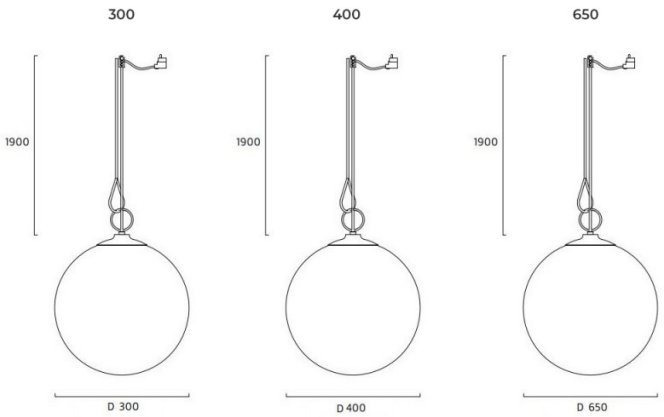

Dimensions:

300:
Shade: Ø30cm

400:
Shade: Ø40cm

650:
Shade: Ø65cm

Drop Height: 190cm
