FLOS

Parentesi Additional Element by Flos

Additional elements are available for the Parentesi pendant light by Flos in both a dimmable and non dimmable form in four colour variations; white, red, black and nickel.

The Parentesi lamp consists of a light source which vertically moves on a ceiling-to-floor steel 4m cable. The design makes the Parentesi perfect as a task or reading lamp as the light can be fixed and directed exactly where required. By purchasing an additional element, you can put two light fixings on the stem to make the most of your Parentesi light. Use as a functional fixture or use to highlight certain decorative and architectural details in your interior.

Designer: Achille Castiglioni

IP Code: 20

Dimming: Integrated on/off switch on the product or

In line dimmer included on cable

Dimensions:

58cm height
