### Nafir Single Pendant by Axolight

**Brand New, boxed in original packaging  
1 x available**

Nafir pendants, ceiling lamps and recessed lights derive from Karim Rashid's brilliant imagination, a collection that recalls a row of trumpets lined like bunting stems. This creation touches upon the sculptural theme: available stand-alone or in groups of three and illuminated by LED technology, they are just enchanting even with the lights off.

This version of the Nafir is a single pendant with a white ceiling plate and a shade with a white outside and a gold inner.
