PRODUCT DESCRIPTION

Designer: Karim Rashid

Nafir 3 by Axolight

Nafir pendants, ceiling lamps and recessed lights derive from Karim Rashid's brilliant imagination, a collection that recalls a row of trumpets lined like bunting stems. This creation touches upon the sculptural theme: available stand-alone or in groups of three and illuminated by LED technology, they are just enchanting even with the lights off.

This version of the Nafir is a triple pendant with a bronze ceiling plate and a shade with a bronze outside and a white inner.
