PRODUCT DESCRIPTION

Designer: Manuel Vivian

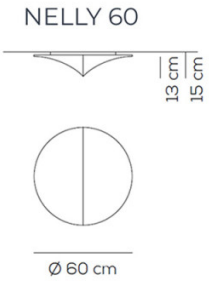

Axolight Nelly Ceiling / Wall Light

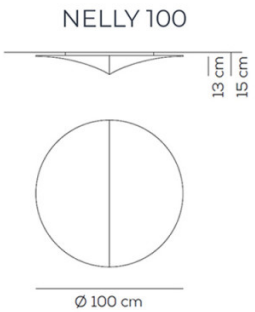

The Nelly Ceiling/ Wall Light was created by Italian designer Manuel Vivian. Vivian uses his fascination with how light interacts with space to create functional lighting that enhances the mood of any environment. This approach to design is reflected in the Nelly Light. Its grand form, available in Ø60 or Ø100, embodies geometric simplicity. Its pure form is subtly interrupted by a smooth line through the centre, a delicate detail that draws the eye.

The Nelly Ceiling/ Wall Light is crafted from a metal structure, covered by an elasticated fabric. When lit, light is diffused through the fabric to create a warm, ambient glow, transforming any space into a cosy environment. Display in a bedroom or sitting room to create a sanctuary within the home. For larger settings, install in multiples for an eye-catching display. The Nelly can be installed on a ceiling or wall, sitting flush to the surface for an innovative, space-saving lighting solution.

PRODUCT SPECIFICATION

Light Source:	**Nelly 60**: 2 x Max 16W LED (Excluded) **Nelly 100**: 3 x Max 16W LED (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	**Nelly 60**: Ø60cm Depth: 15cm **Nelly 100**: Ø100cm Depth: 15cm
