PRODUCT DESCRIPTION

Designer: Ludovica & Roberto Palomba

Foscarini Rituals Wall Light

A minimalistic yet eye-catching design, the Foscarini Rituals provide a wall light that offers two diffuser shapes in hand-blown glass. The abstract diffusers are made using a glass-blowing procedure without turning the glass in the mould (referred to as "stationary"); the striped effect is achieved using a mould with negative decorations which are repeated across the surface of the glass, which is subsequently ground manually "by belt" and which then undergoes immersion in acid in order to emphasise the plaster-like effect.

The flexible Rituals Wall Light can be turned upside down for variety and comes with an external dimmer. The Light's flexibility allied with the soft light and striking form make this wall sconce perfect for use in any home or business setting. The glass shade diffuses the inner light source and results in an even and calming illumination that can suit a variety of spaces such as hallways, kitchens, dining spaces and reading nooks.

PRODUCT SPECIFICATION

Light Source: 1 x Max 70W E27 (excluded)

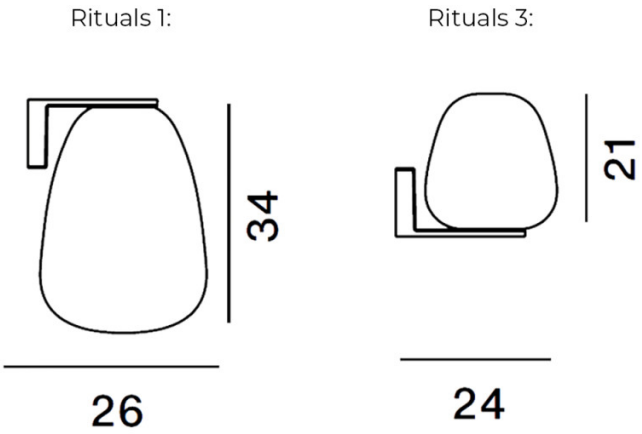

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions:

Rituals 1:
Height: 34cm
Depth: 26cm

Rituals 3:
Height: 21cm
Depth: 24cm
