FOSCARINI

Spokes 2 LED Pendant Light by Foscarini

Foscarini's Spokes 2 is a spatial pendant which casts mischievous shadows onto the surrounding walls and ceiling. The inspiration for design studio Garcia Cumini came from aviaries and oriental lanterns, finally culminating into the Spokes pendant after observing a bicycle wheel, finally settling on the name 'spokes'.

The airy and delicate nature of the Foscarini Spokes 2 pendant is contrasted with the solid aluminium frame, making the pendant light an intriguing and interesting modern design. Available in classic white, gold, copper, graphite or black and a regular or large size, the Spokes 2 pendant light will suit any interior style. See the taller Spokes 1 and other versions within the [Foscarini Spokes collection](#).
