Marset Tam Tam Floor Lamp

Marset Tam Tam was designed in 2015 by Fabien Dumas. Like grapes on a hanging vine, multiple spherical shades can sit along a central bar, placed at playful angles and in a variety of colours, the Tam Tam has a life of its own.

Each shade is individually adjustable, allowing the user to control the light sources for a customised display. The unique design is perfect for reading and ambience in a living room or social area. Whether you choose a monochrome pallet or a mixture of colours, Tam Tam floor lamp by Marset is sure to bring a playful and stylish touch to any interior design.
