### Original 1227 Maxi Pendant Light by Anglepoise

The Original 1227 Maxi pendant light is twice the size of the [Original 1227 pendant light](#) and takes its design from George Carwardine's famous [desk lamp](#), launched in 1935 by Anglepoise. Its iconic shade comes in three colours and with chrome fittings the 1227 Maxi pendant is both timeless and contemporary, suitable for both home and professional interiors.

The sleek lines and pleasant light makes the Original 1227 maxi pendant perfect for kitchens or shining over a table. Available in the 2 more sizes, the [Original 1227 pendant](#) and the [Original 1227 Midi pendant](#), this light truly stands out with both its size and presence. To make a real impact in your décor, buy multiple pendants of different sizes and colours to cluster and create a marvellous light feature. For even more consistency in your design scheme, match with other lights from the iconic [Anglepoise Original 1227 collection](#).
