Anglepoise Original 1227 Wall Light

Getting its design from George Carwardine's classic [Original 1227 table lamp](#), the 1227 wall light is a truly modernistic adaption of an iconic design. With chrome fittings and a rotational shade, this light showcases function and style and works perfectly in both home and work settings. The light has a built-in switch in the base for ease but also has the option to be hard-wired to an external light switch, giving you the power to choose how you wish the light to function.

Available in three classic colours to provide a timeless touch to the room, the Original 1227 wall lamp is completely versatile and can both create a stunning spotlight and a subtle lighting atmosphere. To make a real impact, match with other lights from the [Anglepoise Original 1227 collection](#), to create a room inspired by Carwardine's innovative design.
