PRODUCT DESCRIPTION

Designer: Sir Kenneth Grange

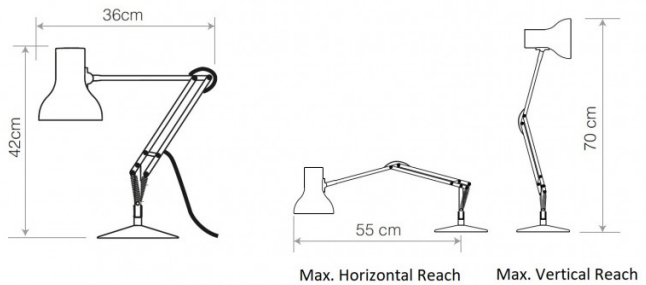

Anglepoise Type 75 Mini Desk Lamp

The Type 75 Mini Desk Lamp is a smaller version of the **Type 75 Desk Lamp**. Designed by Sir Kenneth Grange, this reimagining maintains the original's style and functionality, transformed into a playful and compact modernist desk lamp. The Type 75 Mini Desk Lamp is available in Alpine White, Slate Grey, and Jet Black. These muted tones complement the lamp's timeless aesthetic, allowing it to blend seamlessly into a wide range of decors.

The Type 75 Mini Desk Lamp provides a bright task light, perfect for illuminating a desk, reading nook, or bedside table. Its infamous spring mechanism allows users to angle and fix the light in any position with the lightest touch. In commercial spaces, the Type 75 Mini Desk Light suits hotels, providing a versatile lighting solution for bedrooms and lobbies.
