Vibia Meridiano LED Floor Lamp

The Vibia Meridiano Exterior Floor Lamp is a truly versatile light for use in exteriors. The floor light is made using steel rods, which create a magical display of light and shadow when lit up. The lined pattern produces a unique experience, an alluring exhibition of light in the outdoors. The floor lamp features an integrated LED light source, ensuring a long-lasting glow that shines throughout the structure.

The Meridiano can be used not only as a floor lamp but also as a seat or side table, featuring a useful surface on the top for all your needs. Available in green or off-white and in two sizes, you can create variety in your garden, terrace, poolside and more by mixing and matching the different options.
