Innermost Stupa Pendant Light

The Innermost Stupa pendant light combines art and functionality, featuring sharply defined ridges that play with light and shadow. Each pendant is hand-finished on a lathe, giving it a unique pattern. Crafted from high-quality resin, Stupa's structure softly diffuses light, producing a warm ambient glow. Available in two colours, white and yellow, and two sizes, Stupa18 and Stupa56, this pendant is suited for both residential and commercial interiors looking to add a touch of artisanal charm.
