Orsjo Belysning Aria Floor Lamp

The Orsjo Belysning Aria Floor Lamp is a sleek and modern design. The sturdy shade, made from net fabric, projects a pleasant light stream both above and below the light source. Meaning you are not sacrificing functionality for style.

The Aria floor lamp is a natural focus of attention in all manner of settings at home and in public spaces. This lamp was originally designed for the Operakällaren restaurant in connection with a major renovation of the premises in 2005.
