PRODUCT DESCRIPTION

Designer: Michele De Lucchi & Giancarlo Fassina

Artemide Tolomeo Decentrata Suspension Light

The Tolomeo Decentrata suspension follows on the design of the [Artemide Tolomeo Basculante 2 Bracci light](#) and was designed by the award-winning Michele de Lucchi and Giancarlo Fassina who are behind the [Artemide Tolomeo collection](#), a classic range with a stylish touch exclusive to Artemide. This suspension light has an adjustable body allowing you to direct the light where you need.

The Tolomeo Decentrata suspension light has a lovely aluminium body with the choice of a parchment or silk satin fabric lampshade so you can find the right finish for your space. Suitable for many settings this suspension can be used in lounges, bedrooms and dining areas but is particularly useful in offices as the light can be directed over desks to use as a reading or task light. Also view the aluminium version of this light, the [Artemide Tolomeo Decentrata Aluminium Suspension](#) for a more modernistic look.
