PRODUCT DESCRIPTION

Designer: BEGA

BEGA 33223 LED Wall Light

The BEGA 33223 LED Wall Light is a sleek and compact downlighting solution that can be used for interior and exterior settings, thanks to the IP65 rating. The diffuser is fitted with safety glass, with an optical texture, and distributes the illumination evenly onto the surface in a wide beam.

The cast aluminium structure of the BEGA 33223 is available in a graphite or aluminium finish, both of which adapt beautifully to contemporary environments. Whether displayed individually or lined up in rows, the BEGA 33223 Wall Light is a functional addition to residential and commercial spaces. Perfect for brightening up driveways, entryways, paths and terraces.
