PRODUCT DESCRIPTION

Designer: Note Design Studio

Zero Elements Pendant

Designed by Note Design Studio, the Zero Elements Pendant collection captures the atmospheric quality of Nordic light and landscapes. Available in both Large and Small sizes, each pendant blends minimalism with organic softness, offering a sculptural presence suited to a variety of interior settings. The shade is made from Kvadrat textiles in three refined finishes, Blue, Apricot, and White, and is paired with a matt acrylic diffuser that casts a gentle, even glow.

The Large pendant is ideal for spacious environments such as living areas, dining rooms, hotel lobbies, and reception spaces. The Small version provides a more compact option, well-suited to reading corners, bedside lighting, or grouped installations. Both versions are suspended from a ceiling hook with a 3-metre wire and are also available in custom colours to support tailored interior concepts. Whether used individually or arranged in multiples, the Zero Elements Pendant brings warmth, texture, and understated elegance to any modern interior.

PRODUCT SPECIFICATION

Light Source: 1 x Max 20W E27 (Excluded)
