Catellani & Smith

Catellani & Smith Lederam WB1 Wall Light

Lederam is the latest evolution of Eco-Logic Light and combines LED technology with a new copper leaf finish. These small discs with their soft, warm colour enclose a next-generation mains voltage LED module, so no transformer is required and they can be easily dimmed.

Made of metal rod and base; aluminium disc with nickel joint; available in different combinations of colours: black disc, copper or satin rod and black base; disc lined with gold or copper coloured leaf, black rod and base; white disc, gold or satin rod, white base; chrome disc, satin rod and base. LED Module is interchangeable.

Also available in a chrome finish **For further details, pricing and orders please [contact us](#).**

Dimming: Dimmable using trailing edge systems
