PRODUCT DESCRIPTION

Designer: Rodolfo Dordoni

Foscarini Lumiere Table Lamp

The Lumiere Table Lamp was designed by Rodolfo Dordoni back in 1990 and remains a bestseller of the Foscarini brand. Still modern and contemporary, the table lamp has a classic and chic silhouette with a domed glass lampshade and a metal tripod base. With sleek and clean lines, this lamp will add a touch of class to the room whilst still fitting into modern interiors. The Lumiere Table Lamp comes in 3 finishes, white, warm white, and cherry red, with a choice of base colour, aluminium, black chrome or champagne, so you can have a personalised light for your space. The table light also is available in a small or large size and a non-dimmable or dimmable version.

The many available versions of the lamp make it very versatile and adaptable, suitable for many spaces and settings. The lampshade is painted white on the inside, so creates a warm, soft glow that will work perfectly to create a cosy ambience in the room. The colours also warm up and become lighter when the light is on, producing a changing aesthetic. Use in bedrooms, lounges, dining areas and more to have a stylish Italian design at its best to light up your interior.
